## Flip Over!

### Objectives:

- Coming to a consensus
- Working together in a small space

### Materials:

- A large towel or small blanket
- It must fit your entire team on it.

### Setup:

- 1) Leave the towel/blanket in the middle of the floor fully open

### Instructions to Team:

Every one should start off on the blanket. Now, flip the blanket over. No one's feet should ever touch the floor.

### Notes:

This activity requires the students to be comfortable being very close to each other/ touch each other.

During the activity, listen to their conversation and decision making process.
