

Not the Droids You Are Looking For, Pennsylvania

Guess Who?

Objectives:

- Getting to know teammates
- Respecting teammates

Materials:

- Small strips of paper
- Pens
- A box

Setup:

- Leave materials on the table
- Each student should be given 5 strips

Instructions to Team:

Each person should write 5 facts about themselves. Fold them and put them in the box when you are done. You will then pick a paper and guess which teammate it is about.

Notes:

This is a get to know you activity. Suggestions for what to write about: number of siblings, countries you have lived in, instruments you play, favorite food, something everyone else would be surprised by.

If they get their own paper, they should put it back in the box.
